Subject: Letter of Recommendation

Dear Anshul Badoni,

I wanted to take a moment to express my appreciation for your hard work and dedication during your internship with us at Monzen Sustainable Technologies. Your contributions to our web development team have been invaluable, and we are truly grateful for the energy and enthusiasm you brought to your work every day.

Over the past 2 months, you have demonstrated an impressive level of technical proficiency, working diligently to complete complex coding tasks with skill and precision. Your ability to collaborate with our team and take direction from senior developers was outstanding, and your positive attitude and willingness to learn made you a pleasure to work with.

Based on your performance during your time with us, I am pleased to offer a strong recommendation for your future endeavours. Your technical proficiency, strong work ethic, and ability to collaborate effectively make you an asset to any team. I have no doubt that you will continue to excel in your career and make valuable contributions to any organization you choose to work with.

As your time with us comes to a close, I want to thank you once again for all that you have done to make this a successful and rewarding experience for both you and our organization. I wish you all the best in your future endeavours and hope that you will keep in touch as you continue to pursue your goals in the field of web development.

Sincerely,

D V Sarath Chandra
